Re: Revised State Permit and Decision Package (Alkali Lease Tract - Incidental Boundary Change - Federal Lease UTU-69635), Soldier Creek Coal Company, Soldier Canyon Mine, ACT/007/018, Folder #3, Carbon County, Utah

Dear Mr. Olsen:

I am enclosing a revised permanent program mining permit and decision document for the Soldier Canyon Mine for the incidental boundary change associated with federal lease UTU-69635 (about 276 acres and 2.2 million tons of recoverable coal.) This decision document has been forwarded to the federal lands program at the Office of Surface Mining, Western Resource Coordinating Center, in Denver where the documents are being prepared for the Secretary who must sign the Mining Plan Approval prior to mining this area.

Please sign both copies of the permit which have been stipulated that the Secretary's approval is required prior to mining in this area.

Your cooperation during the permitting process is appreciated.

Very truly yours,
