RE: Compliance Review for Section 510(c) Finding, Soldier Canyon Mine, Soldier Creek Coal Company, ACT/007/018, Folders #3 and #5, Carbon County, Utah

As of the writing of this memo, there is a "conditional issue" recommendation from the Applicant Violator System for ACT/007/018. The condition refers to compliance with the settlement agreements between Coastal States Energy Company and the state regulatory authorities in Kentucky and Virginia. A condition was added to the permit that states: "Soldier Creek Coal Company must provide written documentation of the resolution of the settlement agreements to the Division within fourteen (14) days of the resolution."

There are no finalized civil penalties which are outstanding and overdue in the name of Soldier Creek Coal Company. Soldier Creek Coal Company does not have a demonstrated pattern of wilful violations, nor have they been the subject of any bond forfeitures for any operation in the state of Utah.
