Re: Alkali Creek Lease, Soldier Creek Coal Company, Soldier Canyon Mine,
ACT/007/018, Folder #2, Carbon County, Utah

On September 25, 1996, the Division received a revised proposal for adding the Alkali Tract to the west of Soldier Creek Coal Company's current permit area. A previous submittal of this revision had some problems with right of entry and vegetation information and was not considered administratively complete. These problems have been corrected, and these portions of the application can now be considered administratively complete.
