Re: Alkali Lease Tract (UTU-69635), Soldier Canyon Mine, Soldier Creek Coal Company, ACT/007/018-961, Folder #2, Carbon County, Utah

The Division received the significant revision to the Soldier Canyon Mine to incorporate the Alkali Lease (UTU-69635) on May 31, 1996. Part of this lease has already been incorporated into the permit through an incidental boundary change with the mining plan approval on May 14, 1996. The purpose of this revision is to incorporate the entire lease into the permit.

This document is available for review at the Division's Office in Salt Lake City and the Price Field Office. Please review and notify the Division with your concerns by July 29, 1996.

If you have any questions, please call me. Thank you.
