file #2

Dear Mr. Spillman:

As you are aware the Division in a letter dated September 10, 1997 required Canyon Fuel to correct a number of deficiencies in the Soldier Canyon Mine MRP. The corrections were to be made by January 9, 1998, however you requested an extension of 60 days to complete the task. Your request is hereby granted. You now have until March 10, 1998 to provide the necessary information.

If you have any questions, please call me.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
