Re: Revised Central Mine Facility Map  
Soldier Canyon Mine, ACT/007/018

Am99B  
#2 Copy Joe

Dear Mr. Helfrich:

Due to the recent sealing of the Soldier Canyon Mine (SCM) and the transfer of equipment to The Dugout Canyon Mine (DCM), it has become apparent that an update to the SCM surface facility map is now appropriate. I have, therefore, enclosed five copies of the updated Central Mine Facility Map (Exhibit 5.21-1). Specific modifications to this map include:

- Since the mine has now been sealed in accordance with 30 CFR 75.1711, all portals and shaft are identified as being temporarily sealed.
- The explosive magazines have been relocated to the DCM and have been removed from the SCM map.
- The No. 2 substation has been relocated to the DCM. Only the foundation for this substation remains identified on the SCM map.

Should you have any questions concerning this matter, please contact Dave Spillman (435)636-2872 or Chris Hansen (435)448-2669.

Sincerely,  
SOLDIER / DUGOUT CANYON MINES

R. W. Olsen  
General Manager
