Dear Mr. Haddock:

I have enclosed the first quarter 2000 water monitoring reports for the Soldier Canyon Mine and Dugout Canyon Mine. I have also enclosed copies of the Discharge Monitoring Reports (DMR's) for Soldier / Dugout Canyon Mines, as well as, Banning Loadout. These DMR's cover the first quarter 2000.

All first quarter water quality data have also been submitted electronically. Comma delimited ASCII files have been prepared and forwarded directly to Ken Wyatt.

Should you have any questions or comments concerning this information, please contact myself (435-636-2872) or Chris Hansen (435-448-2669).

Sincerely,
 SOLDIER / DUGOUT CANYON MINES
