C/007/0018, Task ID #2091, Outgoing File

Dear Mr. Olsen:

On December 15, 2004, the Division received the above mention amendment, which dealt a bond adjustment for the Soldier Canyon. The Division determined that the reclamation bond must be \$1,593,000 and the Permittee posted the bond. The amendment shows an adjustment made for escalation.

The Division reviewed the above-referenced amendment and found it adequate to meet the minimum regulatory requirements. Enclosed is a copy the Technical Analysis for your information. A stamped incorporated copy of the revised page 1 of Appendix 1-A is also enclosed for your copy of the Mining and Reclamation Plan.

If you have any questions, please call me at (801) 538-5268 or Wayne Western at (801) 538-5263.

Sincerely,
