Vicky,

I have uploaded all of the information for Dugout Canyon, Soldier Canyon, and Banning Siding from the pipeline into the database. A report is attached.

OK

You are correct, that according to parameters set by the assigned hydrologists, you should only be missing some UPDES data at Dugout.

Please let me know if you have any questions.

Thank you,

Dana Dean, P.E.

Please load the files in the pipeline into the UDOGM database. Except for DMRS for Dugout the remainder of the information should be in the files and ready to be uploaded. Thank you for your assistance. Vicky
