Good morning Jay,

Thanks for the update. We'll go ahead and extend the deadline to get the bond updated to December 12th (additional 30 days). As always, Suzanne Steab is our go-to person for getting the required documentation together. If you have any questions, please feel free to contact her or myself.

Regards,
Steve

Steve:

I appreciate DOGM working with us on the mid term review at Soldier Creek. With the new bond calculations the bond will increase by approximately \$817,000.

We are currently working on increasing the bond but we need some additional time. An additional 30 days most likely would be adequate.

If you have any questions please give me a call.

Thanks

Jay
