[X] We are forwarding herewith one (1) copy / two (2) copies of:
08/17/84 SUBMITTAL OF REVISIONS FOR EMERGENCY LEASE
ADDENDUM IN RESPONSE TO APPARENT COMPLETENESS REVIEW
which consists of (_____ vols.), (_____ maps) and/or (X
pages), submitted by TOWER RESOURCES, INC.
Company for the CENTENNIAL PROJECT
mine in CARBON County, UTAH.

[] It is our understanding that the company will furnish this
material to you. If this does not happen, please let us know.
See attached letter.

OSM is required to make a finding under 30 CFR 786.19(a) that the
application is accurate and complete. Therefore, please review the
enclosed permit application (or application update material) under your
agency's applicable regulations. At a minimum, we need your analysis of
the following:

BLM/FS: [] Identification of lands unsuitable for surface mining and
reclamation pursuant to Section 522 of SMCRA.

BLM/FS: [] Postmining land uses for any conflicts with land management
plans and policies.

BLM/BSM: [] The proposed coal recovery procedures and any conflicts
with future recovery of coal resources.

[] This permit application is in the final stages of
preparation for a decision. Therefore, OSM will need your
final concurrence letter with any conditions necessary for
final action on the mining plan.

In order to meet OSM's and the State Regulatory Authority's schedule for
action on this submission, we request that you respond by _____
. If this schedule cannot be met, please contact
the project leader or senior project manager as soon as possible.

[X] This information is for inclusion in your copy of the permit
application in order to keep it up-to-date, and no response is
necessary.

If you identify any additional information needs, please bring them to
our attention. The OSM Project Leader for this plan is MARC HUMPHREY
