Attention: Susan Linner

Dear Ms. Linner:

This letter is to inform you that Andalex Resources, Inc. has modified its plan for drainage from disturbed areas as shown on the enclosed drawing. This is a result of a constant maintenance problem at this location and subsequent to an inspection by Holland Shepherd et al we agreed to do something with it. Andalex feels this is a good solution and we are sure that your inspection staff will agree.

Thank you.

Sincerely,

Michael W. Glasson
Senior Geologist
