Dear Dianne:

The Division has reviewed a Determination of Completeness for addition of 996 acres of lease area to Andalex Resources' Centennial project. As you know, access to these leases will be via existing or approved facilities. Our primary concern relates to the impacts of subsidence on wildlife. Our opinion on this issue was relayed to the Company on October 12, 1988 and copy forwarded to Susan Linner at your office.

Thank you for an opportunity to provide comment.

Sincerely,

William H. Geer
Director
