OIL, GAS & MINING

Dear Ms. Linner:

By cover memo dated August 15, 1988 your office forwarded a two-volume set of Permit Application Package. The Bureau of Land Management (BLM) has reviewed the Mining and Reclamation Plan in conformance with 43 CFR 3482.1(b) and (c). At the present time we have found some geologic and engineering deficiencies and are working directly with the operator. Once these requirements have been fulfilled we will forward our findings and recommendations.

If you have any questions please contact Shannon DeAun Hoefeler or Brent Northrup at (801) 259-6111.

Sincerely yours,

District Managercc:
