M E M O R A N D U M

TO: James Leatherwood, DOGM
FROM: Michael W. Glasson *MWG*
DATE: January 14, 1988
SUBJECT: Pond Waste

File
No 2.
ACT/007/019

RECEIVED
JAN 19 1988

DIVISION OF
OIL, GAS & MINING

The enclosed analysis is a corrected copy of the analysis performed on the Pond B material. The reason CT&E had down coal as the type of sample and Wildcat as the sample location was simply force of habit. You will note that the sample identification on the right side of the report said "Settling Basin B Sediment Composite". Sorry for the confusion.
