RE: Review of October 11, 1988 Submittal, Andelex Resources Inc.
Aberdeen Mine, ACT/007/019, Folder #2, Carbon County, Utah

Summary:

The above referenced submittal has been reviewed to determine the completeness and adequacy of outstanding issues related to biological resources. This submittal has adequately addressed the concerns enumerated in my August 17, 1988 review memo regarding vegetation information and fish and wildlife information and plans.

Analysis:

UMC 783.19 Vegetation Information - 1k

Andelex has clarified the identification and use of reference areas for determination of vegetation success.

UMC 783.20 Fish and Wildlife Information - 1k

Andelex has provided the updated information regarding raptor nests within the permit area as requested.

Recommendations:

It is recommended that the above referenced operation be approved without conditions related to biological resources or land use.
