DIVISION OF  
OIL, GAS & MINING

Dear Ms. Linner:

On August 15, 1988 your office forwarded a two-volume set of a Permit Application Package for Centennial Project, ACT/007/019, Andalex Resources, Inc. An initial review was made and geologic and engineering deficiencies were found. On October 15, 1988 a letter was sent to you noting these deficiencies. Since that time we have been in contact with Andalex Resources, Inc. and the deficiencies have been adequately satisfied.

Based on a review of the Resource Recovery and Protection Plan (R2P2) of the Permit Application Package, the Bureau of Land Management (BLM) recommends approval of this permit.

If you have any questions please contact Brent Northrup, Chief Solid Minerals or Shannon DeAun Hoefeler at (801) 259-6111.

Sincerely yours,

*William C. Stenger*
