re: ACT 007/019, Bathhouse Facility

Dear Mr.  Haddock:

This letter is to inform the Division that Andalex Resources Inc. intends to remove an aging bathhouse trailer at the Centennial minesite and replace it with a new building. The new building will be for practical purposes the same size and existing plumbing (water supply) and drain field will be used. There will be no new surface disturbance.

Thank you.

Sincerely,

Michael W. Glasson
Senior Geologist
