re: NOV 90-13-1-1

Dear Mr. Haddock:

As you are aware, Andalex is working closely with the Division to estimate a new reclamation bond amount for the Centennial Project. Pursuant to the enclosed materials which show substantial reductions in bond calculations, and pursuant to your regulations specifically 614-301-830.422 and 830.430, Andalex is hereby requesting an extension to the abatement period allowed in the above referenced NOV. We appreciate the Division's cooperation in helping Andalex bring this issue to a satisfactory conclusion.

Sincerely,

Michael W. Glasson  
Senior Geologist
