Re.: ACT 007/019 MRP Amendment

Dear Mr. *Daron* Haddock:

Enclosed please find two copies each of revised Plate 6, As Constructed Surface Facilities. These maps depict a new material storage area located southwest of the Apex Mine truck loadout. This is an existing pad and does not require any modification to the existing disturbed area.

Thank you for your consideration of this matter.

Sincerely,

Michael W. Glasson  
Senior Geologist
