Dear Mr. Glasson:

Re: Permit Renewal Newspaper Advertisement, Andalex Resources, Inc., Centennial Project, ACT/007/019, Folder #2, Carbon County, Utah

We have reviewed the proposed newspaper advertisement which you submitted by FAX transmission to our office today. The concerns expressed in our October 24, 1991 correspondence to you have been addressed and permission is hereby given to publish this notice.

Please submit a copy of the revised pages for the mining and reclamation plan to show the correct legal description of the permit area. We will also need the cross-reference for your plan to the new R614 regulations as soon as possible.

Please don't hesitate to call myself or Paul Baker, Reclamation Biologist, at 538-5340 if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Daron R. Haddock".

Daron R. Haddock
