 RE: ACT 007/019-91A

Dear Mr. Haddock,

Pursuant to your request, I have enclosed 8 additional copies of materials submitted in March of 1992 regarding Andalex's Sediment Pond C Spillway Amendment. This includes plates 8, 9 and 12 and text pages 133 through 190. As I mentioned in my March 9 submittal, not all these pages apply directly to Pond C, but many pages had to be renumbered as a result of additions and deletions. I should also point out that many of these pages have subsequently been changed as a result of the addition of the new AEP lease UTU-69600. None of the newer changes however affect the Pond C information.

It is our intention to complete any necessary field work (access ramp) within 30 days of this submittal.

Please call with questions.

Sincerely

Michael W. Glasson
 Senior Geologist
