Attn: Daron Haddock, Permit Supervisor
re: ACT 007/019 Renewal, Stipulation R645(614)-301-412,413

Dear Mr. Haddock:

With this letter I enclose 2 copies each of comments (or lack thereof) from 3 of the surface owners located within the boundaries of ACT 007/109 regarding post mining land use. I am still awaiting responses from two owners as of this writing and therefore, I must request a second extension to our response timeframe to completely address the stipulation. I will take necessary actions to make sure I have completely addressed the stipulation by April 3, 1992.

I have also enclosed two copies each of our revised Plate 2. This depicts a change in ownership from J & S Critchlow to David Cave et.al. This is a matter of record in the Carbon County Courthouse.

Thank you for your consideration.

Sincerely,

Michael W. Glasson
Senior Geologist
