Attn: Daron Haddock, Permit Supervisor
re: Stipulation R614-301-412

Dear Mr. Haddock:

The above referenced stipulation pertains to comments from land owners within our permit area regarding changes in post mining land use. A request has been made of the land owners for comments, if any; verbal responses thus far have indicated there would be no comments; and we are awaiting written comments.

We therefore, are requesting an extension of 15 days to supply the required written comments. If for any reason all written comments have not been received by March 20, 1992, I will contact you.

Thank you for your cooperation.

Sincerely,

Michael W. Glasson
Senior Geologist
