Dear Mr. Bailey:

Re: Incidental Boundary Change within AEP Lease, Andalex Resources, Inc., Centennial Mine, ACT/007/019-92E, Folder #2, Carbon County, Utah

Enclosed is one copy of Andalex Resources, Incorporated's plans for the AEP lease addition to the Centennial Mine in Carbon County, Utah. This material is for your review, information, and files. Although Andalex has provided material for the incorporation of the whole lease into the permit, only the portion of this package which deals with a 30-acre incidental boundary change needs to be evaluated at this time. (The AEP lease addition will be evaluated at a later date.) The IBC involves mining a panel directly west of current mining as shown on Plate 41. It is important that mining of this panel be done within the next six (6) weeks. Please provide any written or verbal comments you may have on these plans by this date.

If you have any questions or need additional information, please contact me at your earliest convenience.

Sincerely,

A handwritten signature in cursive script that reads "Daron R. Haddock".

Permit Supervisor
