Subject: AEP Lease Addition, Andalex Resources, Inc., Centennial Mine, ACT/007/019-92E

Dear Mr. Carter:

The Division of Wildlife Resources has reviewed this proposed lease addition by Andalex Resources, Inc., and has the following comments.

Based on the Bureau of Land Management's conclusions that there would be no surface disturbance, the DWR recommends this lease addition be approved. Past mining activities in this area have not impacted surface resources and this proposed plan should not impact wildlife resources.

Thank you for the opportunity to comment. If there are any questions, contact Ken Phippen, Regional Habitat Manager, at 637-3310.

Sincerely,

Timothy H. Provan
Director
