Attn: Daron Haddock, Permit Supervisor
re: ACT 007/019 Surface Ownership, AEP Lease

Dear Mr. Haddock:

It was discovered today that an error exists on your copies of Plate 2, "Surface Ownership Map". The old map shows the N 1/2 and the SE 1/4 of section 12 in T.13 S., R.10 E. as being owned by the State. This is incorrect as the surface over the entire section is owned by the U.S. This map has been corrected and I am enclosing 12 copies, assuming they will need to be distributed. This error was discovered prior to the first publication of our notice of completeness and was corrected. The corrected notice is also enclosed for your file.

Sincerely,

Michael W. Glasson
Senior Geologist
