re: AEP Lease, ACT 007-019
attn: Daron Haddock, Permit Supervisor

Dear Mr. Haddock:

Enclosed are eight additional copies of the portions of our text which have changed as a result of our upgrading to include the AEP Centennial Seam Lease. This is exactly the same as the initial 4 copies submitted for your review last August. As I have discussed with yourself and Paul Baker last year, it is vital that this approval be achieved by June of this year. Andalex will help in any way possible.

Thank you.

Sincerely,

Michael W. Glasson
Senior Geologist
