Re: Acceptance of Applications for Change to Diversion Designs and Overflow Culverts,
Andalex Resources Inc, Centennial Mine, ACT/007/019-93E & 93F, Folder #3,
Carbon County, Utah

Dear Mr. Glasson:

The Division is in receipt of Andalex's proposed amendments to change Diversion Designs and to install overflow culverts in catch basin B. Your applications are considered complete for review purposes. This letter provides notice that the amendments have been accepted for review pursuant to R645-303-221. The amendments have been assigned the permit change number 93E and 93F.

A technical review of the applications is now proceeding . You will be notified of the status of your amendment applications when the review is completed. If you have any questions or concerns, please feel free to call.

Sincerely,

A handwritten signature in cursive script that reads "Daron R. Haddock".
