Dear Mr. Glasson:

Re: Revised State Permit, AEP Lease Addition, Andalex Resources Inc., Centennial Mine, ACT/007/019, Folder #3, Carbon County, Utah

Enclosed is a renewed permanent program mining permit for the Centennial Mines Project, which includes lease U-69600 known as the AEP lease. You should have already received the Federal Mining Plan Decision Document which gave federal approval for mining the AEP lease.

Please note that the permit approval date is effective July 7, 1993 and the permit will still expire on the renewed permit expiration date, January 5, 1997. Two copies of the permit are included. Please read the permit to be sure you understand the requirements and conditions, then sign both copies and return one to the Division.

Your cooperation during the permitting process is appreciated.

Very truly yours,

A handwritten signature in black ink, appearing to read 'James W. Carter', written over a large circular scribble.
