Re: ACT 007/019 Permit Stipulation (Reformatting) *★ 2*

Dear *MS* Littig:

This letters is to explain that the reformatting progress on the above referenced MRP is nearly complete. The partially completed job was received on August 12 at the Price field office. Due to additional priorities (which were DOGM submittals) the plan is still not completely finished to our satisfaction. I am requesting an additional final extension be granted to no later than August 29, 1994.

Thank you for your consideration.

Sincerely,

Michael W. Glasson,
Senior Geologist
