Re: **Addition of Aberdeen Seam to Lease UTU-69600, Centennial Mine, Andalex Resources, Inc., ACT/007/019-94B, Folder #2, Carbon County, Utah**

Dear Ms. Grubaugh-Littig:

ACT/007/019 #3

This is in response to your letter of March 15, 1994 concerning the subject application to add the Aberdeen Seam to Lease UTU-69600.

The Fish and Wildlife Service has reviewed the material provided and believes no significant impacts to wildlife resources would be expected. This is based on the fact that the "Centennial" Seam was approved to be mined as part of this lease last year. There is no addition to the lease area, only the addition of the Aberdeen Seam to mine.

Sincerely,

Robert D. Williams
