Re: ACT 007/019, 93E - Drainage Plan Amendment

Dear Mr. Haddock:

Enclosed please find information requested by Mr. Steve Johnson of your staff. I hope that the enclosed adequately answers his questions. The reference to meetings with Rick Summers, formerly with DOGM, has been removed. Tables IV-4 and IV-5 have been left in as a slightly more conservative evaluation of the undisturbed culvert network (CN=70) as opposed to the tabulations in Appendix O calculated by Horrocks Engineering (CN=65).

Sincerely,  
  
Michael W. Glasson,  
Senior Geologist
