Re: Remote Fan Installation - Amendment Denial, Andalex Resources, Inc.,  
Centennial Mine, ACT/007/019-94G, Folder #3, Carbon County, Utah

Dear Mr. Glasson:

The Division received the proposed amendment, Remote Fan Installation, on September 12, 1994, which has been assigned the permit change number ACT/007/019-94G. This application is incomplete and the Division is unable to review the proposal for the following reasons:

There is essentially no text for this proposal for inclusion in the mining and reclamation plan.

The soil surveys, submitted by the consultants for this project, were not included as part of the plan.

Therefore, this amendment is denied. Please resubmit a complete application. If you have any questions, please call me or Daron Haddock.

Sincerely,

A handwritten signature in cursive script that reads "Pamela Grubaugh-Littig".

Permit Supervisor
