Re: Permit with Condition to Include Mining Aberdeen Seam in AEP Lease Upon Authorization by the Secretary, Centennial Project, ACT/007/019-94B, Folder #3, Carbon County, Utah

Dear Mr. ^{Mike} Glasson:

Enclosed please find two revised permits for the Centennial Project that includes the condition that approval of the mining of the Aberdeen Seam in the AEP Lease is contingent upon authorization by the Secretary of the Interior.

Please have the authorized official sign both copies of the permit and return one signed copy to the Division. If you have any questions, please call me or Pamela Grubaugh-Littig.

Very truly yours,
