Dear Mr. Glasson:

The Division received, on January 7, 1994, your request for an extension of time to submit materials pertaining to your updated drainage plan. An extension to January 23, 1994 is hereby approved. It is our understanding that this applies to Amendment 93E dealing with diversion design deficiencies and Amendment 93F dealing with copies of Catch Basin B designs. You must now submit materials to satisfy both amendments by no later than the January 23rd date.

If you have any questions, please call.

Sincerely,
