Re: ACT 007/019, 94G - Request for Extension

Dear Ms. Littig: 

Due to the BLM's restriction on activity in the Left Fork of Deadman Canyon, because of critical elk and deer range from December through May, it became apparent that approval for the fan installation would not be possible for construction during 1994. Because of this restriction, Andalex turned permitting efforts to its other high priority agenda and was unable to complete a response to deficiencies still outstanding on Revision 94G.

I am requesting a thirty-day extension. Thank you for your consideration.

Sincerely,

Michael W. Glasson,
Senior Geologist
