Re: Updated Information, Centennial Mine, Andalex Resources, Inc., ACT/007/019,
Folder #2, Carbon County, Utah

Dear Mr. Singh:

The Division approved the Fan Portal Construction amendment (94G) for the Centennial Mine, ACT/007/019, on May 25, 1995. This amendment was approved coincidental to the review of a reformatted plan and midterm review (94E), which was approved on December 19, 1995. The enclosed pages and appendices reflect the proper format for both amendments 94E and 94G. Please replace the text pages and add Appendix V to the appropriate volume.

If you have any questions, please call me.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
