Re: Copies for Incorporation of Midterm Review , Centennial Mine, Andalex Resources, Inc., ACT/007/019-94E, Folder #2, Carbon County, Utah

Dear Mr. Glasson:

I am enclosing "stamped" copies of the approved portions of the midterm review for you to insert into your copy of the Centennial Mine mining and reclamation plan. Please send us two more copies of this material so that the Division can transmit this approved information to the Bureau of Land Management in Price and the Office of Surface Mining, Federal Lands Program in Denver.

If you have any questions, please call me.

Sincerely,

A large, stylized handwritten signature in black ink, appearing to read 'Pamela Grubaugh-Littig'.
