RE: Incidental Boundary Change - 160 Acre Lease Modification, Centennial Mine, Andalex Resources, Inc., ACT/007/019-97B, Folder #2, Carbon County, Utah

In Reply Please Refer to Case No. K439

Dear Ms. Grubaugh-Littig:

The Utah State Historic Preservation Office received the above referenced request on February 24, 1997. After review of the material provided, the Utah Preservation Office cannot determine if a survey has been completed for the additional acres that are part of the expansion without the mine plan. Is there data in the Boundary Change document that would determine if the area has been surveyed?

This information is provided on request to assist the Division of Oil, Gas and Mining with its Section 106 responsibilities as specified in 36CFR800. If you have questions, please contact me at (801) 533-3555, or Barbara L. Murphy at (801) 533-3563. My email address is: jdykman@history.state.ut.us
