Re: Federal Lease Relinquishments -- U-05067, U-010581, SL-063058, SL-027304, and U-69600

Dear Mr. Lamb:

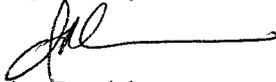

ANDALEX Resources, Inc., as operator, and AMCA Coal Leasing, Inc., as record title holder, do hereby relinquish those portions of the above-captioned United States coal leases as specifically identified by legal subdivision in Attachment A to this letter constituting all or a portion of said leases. The areas being relinquished are also shown on the attached plate. This relinquishment is submitted in triplicate under the authority found at subpart 3452.1 of Title 43 of the Code of Federal Regulations.

The relinquishment will not in any way impair the public interest. The three areas to the north, west and south (see attached map) never have contained any economically recoverable coal resources. The area to the east has had all economically recoverable coal mined out and the area has been sealed.

I hereby certify that we are not requesting special treatment under 43 CFR § 3472.1-2(e)(4)(iv) because of right of first refusal obligations.

Please call with any questions regarding this submittal. Thank you.

Respectfully submitted,

John Bradshaw
