Re: Incidental Boundary Change
Centennial Project
ACT/007/019
Carbon County, Utah

Dear Mr. Haddock:

Enclosed are 5 copies of amended pages and maps requesting approval of an Incidental Boundary Change for the Centennial Project Permit Area.

The IBC is in the Mathis Tract as described on the amended pages and Plates. It amounts to a total change of 240 acres, or 4.64% of the Centennial Project permit area.

The proposed change is for underground mining only. Due to the deep cover (from 2,600' to 3,000'), the change will have no effect on soils, vegetation, wildlife, land use, air quality, engineering, geology, surface hydrology or bonding. There will be no change or additions to any surface facilities. A PHC has also been prepared indicating no expected adverse affects to the hydrologic regime.
