Re: Subsidence Monitoring Plate 25, Centennial Minesite, C/007/019

Dear Ms. Littig:

Enclosed are 5 copies of an amended Plate 25 for the Centennial MRP. Following discussions with Mr. Gregg Galecki of your staff, it was determined that several of the monitoring locations on Plate 25 are shown as "Established" and since mining has not taken place near these sites and will not take place in the near future, these sites should have been shown on Plate 25 as "Proposed".

We apologize for this confusion and the purpose of this amendment is to rectify the incorrect Plate 25.

The five copies each of the revised Plate 25 for the MRP are enclosed, along with the required C1/C2 Forms.

If you have any questions, or need additional information, please let me know.
