Dear Pam,

This email will serve to notify the Division that UPDES DMR information for the 3rd quarter of 2002 for both Wildcat Loadout (UTG040007) and Centennial Mines (UTG040008) have been entered into the data base and approved by ANDALEX (per my telecon with Dana Dean of your staff 01/31/03). Previously only hard copies had been submitted.

This email will also serve to notify the Division that water monitoring for the 4th quarter of 2002 for both Wildcat Loadout (C007/033) and Centennial Mines (C007/019) has been entered into the data base and approved by ANDALEX.
