Mike,

The 2nd quarter Centennial and Wildcat information has been uploaded from the pipeline. A report is attached.

Please let me know if you have any questions.

Thank you,

Jim,

I spoke with Karla Knoop who tells me that all the information for 2nd Quarter water monitoring (including Centennial and Wildcat) for both DOGM requirements as-well-as DEQ DMR's is in the pipeline but it has never been uploaded as far as she can tell. I sent an email to Pam 07/29 approving the uploading so I'll bet with all of our vacations and so forth, perhaps it just hasn't been uploaded yet....

Let me know.

Mike G.
