PUBLIC NOTICE

The Joint Commission on Accreditation of Healthcare Organizations will conduct an accreditation survey of Castleview Hospital on May 13 & 14, 2004.

The purpose of the survey will be to evaluate the organization's compliance with nationally established Joint Commission standards. The survey results will be used to determine whether, and the conditions under which, accreditation should be awarded to the organization.

Joint Commission standards deal with organization quality and safety issues and the safety of the environment in which care is provided. If you believe that you or your organization has information that may affect the survey, please request a public information interview with the Joint Commission's field representatives at the time of the survey. Information presented at the interview will be evaluated for relevance to the accreditation process. Requests for a public information interview must be made in writing and should be sent to the Joint Commission no later than five working days before the survey begins. The request must indicate the nature of the information to be provided at the interview. Such request should be addressed to:

Division of Accreditation Operations
Office of Quality Monitoring
Joint Commission on Accreditation of Healthcare Organizations
One Renaissance Boulevard
Oakbrook Terrace, IL 60181

Or
Faxed to 630/792-5636

Or
E-mailed to complaint@jcaho.org

The Joint Commission's Office of Quality Monitoring will acknowledge in writing by telephone requests received 10 days before the survey begins. An Accreditation Representative will contact the individual requesting the public information view prior to survey, indicating the location, date, and time of the interview and the name of the surveyor who will conduct the interview.

This notice is posted in accordance with the Joint Commission's rules. The notice may not be removed before the survey is complete.
