Subject: Appendix X

Wayne,

Pursuant to our discussion earlier today, attached are the new chapters for the addendum to drill GVH#1, GVH#5 and GVH#6. Most of the information already contained in this submittal is applicable, regardless of how many or which holes are drilled. I have simply stated, where appropriate, that this submittal is for these specific holes and that GVH#1 has already been authorized, etc.

Thanks,
Mike
