The Division received your application to drill up to eight gob gas vent holes on February 23, 2005. On the same day, you also submitted a separate request to expedite the review of GVH #1 (Task ID #2166). Supplemental information was received on March 1 and March 4, 2005. We anticipate completing our review of the Task 2166 information by March 15, 2005. We anticipate completing our review of Task 2161 by March 30, 2005. Pete Hess and Wayne Western have been assigned as the Lead on this project.
