Dear Mr. Glasson

On April 21, 2005, the Division received supplemental information to drill another gob vent hole (GVH#2) that will become part of the April 8, 2005 conditionally approved Gob Gas Vent Hole application (Task ID #2161). We anticipate completing this review by April 29, 2005. Wayne Western and Pete Hess are assigned as co-leads on this project. A copy is being forwarded to the Bureau of Land Management for their review.

If you have any questions, please call Wayne Western at (801) 538-5263, or me at (801) 538-5286.
