Pam,

I see that this is still in the pipeline. Since the deadline for submittal is coming up, I am checking to see if I need to do something else before it can be officially submitted.

Thanks,
Karla

Pam,

The 3rd quarter 2007 water monitoring data is in the database and ready to be downloaded for UEI's Andalex Centennial Mine (C/007/019). Let me know if you have any questions about it.

Thanks,
Karla
